
Spearation of ski village and ski area pages

Posted by dugald - 2008/01/25 05:01

I like the fact that the information on ski villages and ski areas have been separated out onto different pages as it makes it easier to find information and keeps the pages smaller. Does anyone have any different views?

I like the separation too. But I don't like Dugald's spelling. :blink:

Nap..!!
completely agreed, I thing it makes thing more sophisticated.
